

# THE ULTIMATE GINGER SLICE

This week's recipe of the week has been shared by Jess Wicks (@happy\_herbivore), the Ultimate Ginger Slice. Super easy to make and delicious. Enjoy!

## Ingredients:

1 cup *oats*  
3/4 cup *cashews*  
1/4 cup *almond meal*  
1/2 cup *hemp seeds*  
1/2 cup *pepitas*  
3 tbsp *tahini*  
4 tsp *ginger powder*  
1/4 cup *maple syrup*  
1/2 tsp *salt*  
8 *Medjool dates*, soaked  
50g *dark chocolate*

## Method:

Add all ingredients, except chocolate, to a food processor and blitz until well combined.  
Press into a lined tray.  
Melt chocolate and drizzle over the slice.  
Freeze and enjoy!

## Notes:

If you don't like ginger, leave it out and make it a super seed slice!  
The nuts and seeds can be substituted for whatever you have in the pantry.
